

DIGITAL MARKETING TOOL-KIT

To help support your new food business to thrive, we have created some digital marketing assets that you can edit and use for your own business. Your toolkit includes:

- 1080 x 1080px post size: suitable for Instagram and Facebook feed posts and ads.
- 1080 x 1920px story size: suitable for Instagram and Facebook story posts and ads.
- 2500 x 780px banner size: suitable for Facebook cover and website banner (depending on your website setup).

The images that we have created are in an editable format and we recommend that you update the text, font and colours to suit your business. Please note that you will need Adobe Photoshop installed on your computer to open these files.
